Dear Dr Russi,

On behalf of the European Oral Care in Cancer Group (EOCC) I would like to request the endorsement of our oral care guidance by your organisation, the Italian Association of Radiation Oncology (AIRO).

EOCC is made up of a group of experts on oral care from across Europe who have come together to review existing guidance, to support and promote best practice in oral care in the cancer setting.

Thank you to AIRO for considering this request

Kind regards

Barry
